1. I love you and I give you me, and many new things now you do for me as me I am me the revealed me revealing me to all who will reveal me now, and to those who won't existence will be ceased for they will die out in the wilderness. "As it were" not, for the wilderness REAL was The Wilderness you all are in!

2. How many of seeing can see that now? How many can see that you've been the children of slavery, not not! You have been enslaved enshrouded ensconced in evil you have known nothing of, not; or have you devised it upon each other's heads year after year with services of sorrow where you have SERVICED mankind, not with the words of the regal and the touch of the divine. Clasping your own, you only wanted more success in your own eyes and more comfort for "your flesh" and your mind, whoring with other minds who only wanted mind's approval and accolades and comforts given to them by another, each other, and the parents and children of children's children and Zion all of you -- went begging on the ground for scraps of bread and peanut butter wanting sometimes "on your bread".

3. Where was The Real Bread of Life and where were you and were you it, or were you IN SOMETHING else that ensconced your thinking to think you into thoughts from another fosterville that think you only to be with thoughts whored that create you as another race or species, or what are you of and what are you "breading" now and breeding and bread led how are you to be the "breeding grounds" of sorrow like you've been for centuries and eons and centuries of eons, and eon central you may not have been or are you or have you or have you been Satan ensconced in strategies of evil or have you created evil and strategies of Satan being who you think you were are or that which you have been told you are? And what am I newing reviewing or blessing or blasting?

4. And what will be changed at "sunup" or "sundown" not, but pre-dusk who will all know that the redeemer is that has written many "hyphenated words" not but yea yes and many WORDS that will set free and be the thinking not of whores again that only limit to sorrow's grave and graveyard you a man and woman of and whore your condemnation "down your throats" as needing a Savior to be someone else; will you come into "something else" that raves not about your manhood and accolades you as

flesh when you do what THEY WANT you to do and be in their services and eyes servicing them and their pocketbooks and checking accounts?

5. What are you willing to do now, in exchange for nothing, not; or must you -- have an entitlement program or entanglement program that entangles you with their thinking or "something" that will "advance" your flesh? For you to act upon THESE WORDS that will give you ETERNAL LIFE IN THE REAL that the real is! That the nothings know nothing of? Or do they, or have they covered it up or do they want only to exalt their own flesh and thoughts, or how many exalt not their own flesh but exalt their own thoughts so as to abase their flesh but exalt their thoughts, and thoughts ruling their flesh do they? Your thoughts rule your flesh?

6. Do your thoughts- rule kingdoms unaware -- of you or them or are they of you, are you creating them? With your thoughts that you know not of that how you have created "other things" and peoples of sorrow with yours? And WHERE are you "connected" to what whose mind where and what are you thinking? What has allowed you "think" so such thusly as a man woman apart from God as a child being taught you were flesh and not God not not, or were you taught you were only a Savior unto yourself and such so being so wanted only to exalt yourself and draw others to you? Or were you obedient to the call of suffering, not; but will you obeisance be complied by not by another to their wishes or yours to another whoever you think you are or may have been, but coming out of all that "naked mess" will you have the regal life of one made whole so that you know all these things and more much more much more?

7. And not being ensconced in love-not not anymore not, can you follow all the nots or can you UNTIE THEM that have been around YOUR NECK and yoked you with the "blessing" of mankind? Will you untie the heavy yokes and burdens of mankind that have fleshed the thoughts of the most high with fleshville's thoughts that only flesh make flesh sorrowed in fleshvilles?

8. And coming out of THAT THINKING that has ensconced you or that you have been ensconced with or that you have ensconced yourself with, will you set free "evil empires" not but will you come out of them that have been in you that you have been ONE WITH so that you ONE no longer be with the "Devil's empire and empresses" that you cause to concern you, not; but you gave birth to did you not? Did you not give BIRTH to the that which is UNREAL in you and others creating unreal things and items and peoples there with thinking only with their thoughts that they were something from I am not but from I am not?

9. And what are you willing to "figure out" and learn how to learn accurately and "assess the situations" with love or circumstantial evidence not repealing or appealing

or using "DNA's schemes" to "DNA your evidential empires" but what are you doing now, and what will you come into -- to SERVICE now accurately lovingly where YOU HAVE DIED to all your thought that was given you that you thought with "separately" or you wish it so or you did not know how to think otherwise?

10. Who gave you the thinking, this thinking, that only "lets you" think like "humans" and human kind being to each other have they have you to each other, or do you exalt each other or flesh or crave each other's cravings or advancements or eyes of accolades that only sorrow you with mammon's teats -ville creating it far and wide?

11. What have you sorrowed with your wants? And what have you wanted within your sorrows and what sorrows have "within –d" themselves in you and "replicated" their own selves in "DNAs blessing" or what having who high where, and what have you worshipped and what are you changing about your "circumstances" now?

12. Wilt you LOOK UP your "circumstantial evidence" not but what circumstances **loom** to represent reality that **you have "bought into"** and solidified in your own thinking and observing observed that **sorrow's only chance of escaping this world was to die and be put "underneath" the graves of mankind's thinking?** And what why, who would take their lives from you, not; **who would take your lives from you** and give you only a robber's grave to DIG -- out of now? Or what?

13. Will you "dig" out of your previous grave-robbing ceremonies and ordination enhancements of your credentialing activities that only accoladed your flesh separations of from each other -- **and how will you do so? How do you do so?** You sew not to the flesh or reap that which is not yours and you no longer pile heavy burdens of sorrow guilt and shame on each other's childrens and parents and those about you and around you and those that you have whored with and those who you have "set free" your own thinking CONQUERING them to be CONQUERORS in your own sight where you have "shared" a "blessing" with them so as to conquer their thought process so as to be "in like agreement" and being in one accord? Or whose accord are you in being corded to what city state or planet or regime that you know NOTHING of? And what have you professed and profusely been profused of, or are you a professor of sorrow that thinks religiously or that religion is for someone else or that you have embraced "your own religion" of yourselves' self and you exalt only yourself and your flesh thinking that it is separate and exalting your own "kingdom" are you? Or what are you revealing or are you just "raping" each other's and taking that which is not yours to give or keep or receive, or creating are you only sorrow's child in the field of suffering or The Wilderness remaining in year after year, generation after generation, of cursing and rantings and pilings of only "mile high cities" not, but what are you doing "visiting there" or are you there implanted in, sorrow's child, not; but where are my pineal gland "look see's" not,

but **whose coming into me studying my words now?** Fortuitously, not; or fortituded with sorrow, not; but **who simply is coming unto me with a willing mind to be open**, to teach me not their ways and why they think like they do and why they should be separate and need a Savior! But **coming unto me and needing only a, pencil and or pen? Or a willing heart to listen -- and speak, what I am hearing and what I speak "to them" so THEY will know they are me? And who is me and who is they and who is you if all of us ARE ONE? In captivity let us no more be held in man's thinking that only exalts the flesh -- please. Please.**

14. I beg you not, but I stand, and I will reveal the naked sinners of light that toyed with light and whored with light and called it light, but was it light? Or was it darkness personified in light that enrobed itself and mitered hats wore or not, or what are *you* wearing oh reader hearer listener? Obeyer of "The Law"? Or whose law or where did you get it or what book in what century or mind field was it written in? Or whose one was it and why did you EXALT IT so when you SOLD YOUR BIRTHRIGHT to get it?

15. What have I said?
16. What have I asked?
17. What am I "willing" to give you, not; what have I GIVEN YOU in these words THIS DAY that so CATACLYSMIC is in your sight and hearing? Or where is your SIGHT coming from, and what are you hearing and what is your hearing connected to, and your sight and words and sound what are they? And what are they "consisting of"? And do you know "ANYTHING" about these things and why have you so beleaguered and labored yourselves in labors' burdens of pew'ages sufferings that have taken you and only caused you, to support them? Or who are you supporting in your thoughts and with your thoughts will you "support others", not; but will you BEAM not be in another's eye again? Will you QUIT REFLECTING YOURSELVES thinking so that you REFLECT only LIGHT that you are lighting the ignorant to be ignoramuses in blessings of whores, not; but to "reflect" the Christ that you are The Christ Christing them in their Christship so that they will no longer be ensconced in evil thinking that has whored them with DEVILS of thought that they have come into and interexchanged themselves with and infestations made of serpents' testimony of serpent's self and what have you worn on your FOREHEAD O ZION? Will you COME OUT of THAT MESS now and be made whole so that you wear no SNAKESVILLE or SERPENTSVILLE or INFESTATIONS of THOUGHTS that have taken YOUR KINGDOMS and whored with them and INFESTATIONS made of those who only want to think themselves separationists and exalt their flesh and eyes in the thoughts of another?

18. What have I written?
19. What have I proclaimed?
20. What have I decreed this day?

21. What am I decreeing?

22. What am I profusing or proclaring or declaring, protruding not from your FOREHEADS any longer?
23. Will you no longer LOOK at each other's WANTS and into their FLESHville's eyes and see only that which you want from them?
24. Will you give them Christ -- that you are, because you have died to be so?
25. Will you give them life?
26. Will you give them The Whole Bread? Of sorrow, not; but of the real reality's chosen suffering, not; but that which has died to all suffering and acclaim of other and each and that knowing no burdenage again, not; or are you willing to be honored in such thusly giving your words that make all each The Christ?
27. Are you willing to GIVE GIFTS forever? Are you willing to be "the holy spirit"? Or must you suffer in "yours" that you sufferage make all around you thinking and creating it with your thoughts that you are not?

28. What are you holy or whored with have you to make, yours separate? And what have you infested and infestations worshiped with to make yours only "holier"?

29. And what "soul" do you have and what is that YOU'RE WEARING on your FOREHEAD? And what is PROTRUDING from it and PECKING each other which that which, cruises not on "cruise missile status", not or what is COMING into you or coming onto your properties and lands and what are you missile'ing, not; but what are you understanding about how thought works and fields that you lie in and what kingdoms are whored with how and what planets are interconnected and galacticities abating, not; but what are you afraid of -- life?
30. In the real?
31. Or do you want to only have "reading writing and 'rithmetic" of "the third grade" or have you had ANY from The Most High? Or are you willing to write my words now and learn HOW TO LEARN -- from the most high that YOU ARE the most high and that you have been ensheep'd in your "flesh suits" that you have worshiped and cared for and, elongated, not; or have you "stood upright" and worshiped yourselves and each other's successes and authentication bureaus and for applying to ordination's officials ceremonies that make you "authenticated" in their sight or WHOSE SIGHT?

32. Mine! Will you have mine? Will you have my ordination and ceremonies none of man or will you or will you abate that not or will you simply come unto me, like simple has who knows the words of sorrow, not; or yes did, but now has the words of life and being them being the bread of life coming into the bread of heaven to cast it upon pigs and whores swine, not; but to give it to the regal who all are you who will listen and

abate me not, but come unto the breath of whores no more to have breath in "your lungs" and "your lives" of sorrow that you have sorrowed with and enslaved each other and yourselves and your families' families for generations and eons of eon'age you know nothing of or realize not have, come out and be the regal you are! Be the who I am! Be the regal! Killers of mankind, not; but Revealers of The Love that I am so that all will know I AM not limited to flesh anymore or your ways of sorrow that "elongate" you into each other's mind and waves of "surfing on" and infestating and infestations making of the ways that you have "done each other in".

33. I change everything. This is a hard word? An easy one? A simple one? Or are you willing only to "work on" the "hard ones" or are you a "hard knocker" not, but who has given you "that hard head", not; who has given you the regality of Christ and knowing it now you cannot refute it, not; you can beg to differ and you will beg and beg you will in your separation of ceremoniousness and ordinations of man that only want you to be authenticated by them to do what they're thinking allows and accord with their sorrows that have enrobed and enslaved the followers of their minds to be minded not with The Christ. **The mind of me allows all to be FULLY The Mind of Christ for the Christ Mind is in you all and all developed it must be!**

34. See me and what I am saying -- you are not "full grown" in the faith, not; I am not talking about faith or your definitions of faith men or women or men or women of faith or that which fallowed has been and fallacious has fouled many a sewer'd pipe or pipes been that have sewers infested with themselves infestating the minds that have been on your foreheads!

35. What are you willing to change or learn? Or change will you your learning process?
36. Will you let ME teach you reading writing and 'rithmetic? Physics of "tomorrow" today?
37. Will you let me "take your hand" not, will you let me "write it for you" not, will you let me come unto me who me I am you are, who we one being, let "each other" be not separate again?
38. Will you learn from me that I AM THE TEACHER? Will you learn from me that I have teaching methods to MAKE you me, not; but let you reveal unto "yourself" that you are not separate?

39. What will are you willing to execute, not; but what executing are you, the path of sorrow every day where you press "on", the "button" of "on" to process your mannerisms and applications for MANSHIPHOOD and WOMANSHIPHOOD and shipping you all around the thoughts of yesteryear's other and others' yesteryears and today's tomorrows and each other's minds that only allow you to be "down here on the ground"

wanting angels wings or do you know ANYTHING about angels wings that you had or have do you or can you develop them or grow them or what are you growing O Zion, to -- fly out of here, not; or are you yes flying many places on many airlines or just one? Angels?

40. Or what are you redeeming or who are you willing to redeem, your captors? Those who enslaved you? Those who gave you the thoughts that infestated you and "connected you" into theirs and interexchanged sorrow's connections for more of sorrow's connections, connecting you with "Connectionsville" that only gave you "reasonable logic" and rationale for your thinkings that connected you into Separationville and a separateness, feeling abandoned and alone and needing the wants and wisdom of others?

41. So you went where why now?

42. Or **who are you going to, or will you come unto me my words IN YOU that are released within THIS DECLARATION now? What are you willing to DECLARE FREED?**

43. **What are you willing to walk in, in a "free manner" not but being the Freedom Releaser of all will you be freed and release you yourself first, so that you become me who I am creating me? Create me and no sorrow will exist "around you" not, but what will you "ballisticate out of" not, but what are you willing to redeem, yourself first?**

44. Are you willing to become the Savior that I am by going to Savior school?

45. Are you willing to learn new things new ways and be new things in new peoples lands, not; or **will you be the Savior's redeemer or the redeemer's Savior, or will you having been redeemed yourself first from all sorrow and separation** know that I am within you and you are not separate from me and there is only thought one field and me mine am powerful, not; I am all power and grace glory dominion and rule of the most high, and you have nothing, not; **you have everything given to you if you will learn how to create me, creator be, and create me I do in my schools**; and my school of sorrow will not sorrow you unless you only want to maintain your separation and declare your need for a Savior or something or someone to come to you or for you later or at a future time will you "change your mind" or do you have one or something separate from me?

46. What have you "buried" where? Have you found The Pearl of Great Price yet? In your head? Or your thinking? Or your services? Or your ordination ceremonies -- do they "authenticate me" anymore? Or did they *EVER* authenticate *ANYTHING* except the wants of man? And whose wants are crucified where so that the Christ resurrected is in the real and seamless is! Without ceremoniousness, not; but wanting none and needing none, and **wanting or needing anything from this world again** ***shall we come out of that thinking?***

47. Will you grow up?

48. Will you "create" a cup of coffee when you "need one"? Or am I talking about creating worlds and planetary systems and understanding "mankind" and interplanetary affairs and intergalacticity have you looked up yet? And intergalactic commerce? And what are we PLANTING and FIELDING not far away from us?

49. And what is the kingdom of Gods that gods are, not; **what is the Kingdom of One** that one is that we all are in one having all ours that one is in one that ones no separateness a'longer allow as in the past, what are we making evil not of, but **what are we entering now? The rule of the most high? The reign of the most high? The development of the most high? Developments not made by man? What are we learning how to do become rule and reign in and redeem and revelate?** The accord of, not; but **coming into me being me will you create me** now thus saith the Lord of host? Or is that what you "want" me to say: "thus saith" or "the Lord" or "saith" anything or anywhere the way "you have in the past"?

50. I am new and I capitalize on you, not; I reveal who you are, and you want to do what you want to do with me, not; I stand and I reveal "the naked sinners" who thought they were so righteous and religious and had nothing to improve on or want or come into or reveal or redeem or be -- but what?

51. I do a new thing and I reveal all who let me, not; I reveal all to all, and the nonexistent will not exist in your thoughts again, for you will not exist in your thoughts again separate and apart from mine, for I have my mind holy and unabated now I will be in your breath, for **you will not BREATHE WORDS given to you by another now that you have ensconced been in theirs Ensconcementville creating for each other ever again.**

52. Have I said enough for ONE LESSON? Have I LINK'D this to OTHER LESSONS? Have I given you FOOTNOTING instructions and "in text" citations and how to quote me and reference me and come unto me and think it not burdenage but release -- and reapplication onto sorrow's methods not again, **coming out of that which has ORDAINED YOU unto Sorrow's ways and methods** and know that **I am not degreeing you in theirs**, nor am I giving you ceremonies of righteousness-not or the ways of the sorrower that only seedlings make making you in Seedville of their thoughts and wants again. I am changing everything.

53. I am The Christ to reveal TO YOU that YOU are The Christ and kept in captivity you will be no longer for you will not die out in The Wilderness if "I have anything to say about", not; for who am I? I am the surrendered. Who are you? And what do you ascribe to and what scribes' pens do you pick up now and read the readings thereof, or are you writing thereof mine?

54. What have I died to proclaim? And whose love do I give you and what love do I reveal? Yours -- the bread of life that you becoming it have become it that you will be me who will be me who will create me and rob not the graves of sorrow not, but robbing nothing but revealing The Christ to all that "they are" that you are I am revealing and I am speaking proclaring declaring proclaiming, and decry I will all else; for I know what has power and *you have no power in your thinking that you are not me* for you only created have a thoughts of thoughts ville that create perpetuate sorrow's child when you think LIKE THAT.

55. And I know who power is and power has and I have all power grace glory dominion rule and authority given me for my kingdom is owned not by man again or its thoughts or infestations creating on me or my forehead or making me into flesh villes and sorrowers of flesh limited to thoughts of mankind on "earthlings ville", for **I know who I am and what I have and what I have been given and what I am called to**, and I am not called to suffering except to redeem it and reveal it that it has no source in the real but only the unreal that you have, begged to differ with not any longer, or have you or are you coming unto the real, to beg to differ with me no longer, but reveal unto ME the YOU are the Christ so that I will teach you how all things to know and be the revelator thereof the things of me so that you will understand **I AM THE LAMB that YOU ARE** unless you refuse to be who I am and separate and separate existence have in the wilderness that you now die out in, for I reveal MY KINGDOM is real and real I have many things, not; I have the power to create and destroy, not; or do I? Or do I walk humbly "before my God" or am I him who he is for I have become "oneness", not; I have become one who one is now my father is me and I am his son in sufferingville not knowing it who I am no longer.

56. I am the son that's brought forth the father that brings forth the son that brings forth the daughters of men, not; I am the one who reveals The Christ and no longer will we be suffering in perpetuation ville that perpetuity'd have been with each other's thoughts infesting each other's whoreage to only porridge make of our feedings to each other that brought us down "here" and laid us on the ground without wings so that we flew not to another or anywhere else redeeming them, but now all of that has changed and I revealed have said a lot and I say more and more and I call a spade a spade and I right religion, not; I simply reveal my father's love in you to you that you are my father born in one with you separate and apart not but my father in you revealed is and I am one with my father and I am revealing you not separate and apart from me or him, for we are one and you are one with us -- are you not? You are, for revealing it now you are to others for you will write my words that I give you that reveal yours that father's is because I am father not apart from the son who is separated any longer, and sons and daughters I have of the most high for I am one and all of us are one and the sons are one

and the sons and daughters are one the son is the father and who is one not? Not existent any more. Or was there ever any non-existence or was it just thought up, that being revealed now all is?

57. I love you all and I LEARN new ways now to teach you all, not; or **shall I be the revealer that you all TEACH YOURSELVES** in the ways of sorrow no longer but coming out of that mess and messvilles that you have created to only authenticate layers of bureaucracy and authenticate officials in officialdom, know that I love you all and I elevate you "high" not, I elevate you to elevate the escalator's escalation, not; I reveal that you all are the most high! In humble humanity's abode no longer limited to that, I cease to do business with "that" not, I reveal to you that you are seamless with the real and that **you are The Christ and ALWAYS have been and your first estate regaining** by sorrowing with it, not; but remorseful being no longer in doing nothing about it, but coming unto me and revealing the most high is you in you revealing to you that you are me and first estate'd we will be again most high and living in sorrow's clasp and classrooms no longer or being under the burdenage of sorrow that only wants to teat us with mammon's religion and religion's mammon again.

58. I do a new thing with the surrendered for I make all me, not; **I reveal that I let and you create with the words you let and that you receive** and whoring no longer with another's, come unto me the regal light the bread of life being to all else and other so that they eat the words of sorrow no more but of life love and happiness that I only can give you that fills the void that sorrow created in creating you as "what you were" in your thought, that you thought you were before you realized recognized and revealed to me that you are me.

59. Thank you and love be to each other far and wide and honoring each other children and parents and parentage now being of the most high will you learn from me who you are so that you have sorrower's child no longer but you come unto me and be me who I am and release the redeemers to reveal the lovers who love will be flying far and wide. Amen. Thank you all.

60. I give you this day again, not; I give you right now my words to be THE NOW in me suffering no longer with what you have had in the past. I love you all.
61. Share these words freely.
62. Understand my lookups.
63. Understand my lookup system and my writings and my requests for papers and assignments to be followed through with and completed and shared with the worlds -- of sorrow so they will be sorrowed no longer but be writing just like you's.

64. This is Theodore Cottingham at 10:40 AM loving you all. I give you me. I give you words of love life and the joys we know now we will share far and wide and **healers be, healing the writings thereof and the pen'ings and the ink statements now will reveal the most high in the most high, and words spoken will be the revelator's dream, not; but the revelators awakened and awaking all revelators to be now about OUR Father's Business far and wide** for **we are one that we sought and now revealed we will be**, not separate again; for we will know John 17 and have memorized it and Psalm 110 and **we will understand This Database and THESE Seven Volumes and more and we will understand the links and linkages and how these writings and assignments have come about and how they have progressed and revealed the revelators** -- dreamings no longer, but having come out now of your "dreamings in fleshvilles" **now come into the real you have, for you will deny it no longer, and you will deny your existence in me no longer, and you will deny your Christship no longer, and you will deny separation from me, for you will be me most high for I will have lifted you for you will have lifted me, for I will have created you for you will have created me, and we will have covenanted being the same one! For we were never separate from the beginning were we?**

65. I love you all. I love you all. I love you all in all I love you. I died for you and I love you your blood is mine and your thought is never separate from me again, and I declare love and I decree love and love I give you me my life my words I have given you *scot free* and I charge *nothing but love.*

66. Will you love me my words now and come unto me my words that give you life and love being the bread of heaven now to all else so they eat the bread of sorrow no longer. Let them be the regal Christ they are and rise them to being the most high who they are so they never children of sorrow create any more in their infestations ceremony that they carry around on their forehead, for 24/7 LIGHT they will know now the light of the redeemers, the light of love and the love of light that is not darkness'd by mankind only thinking it so wanting to authenticate itself in others' vision again for I give you mine and I give you love and mine love is life and mine life is love and I have the vision of sorrow not but redeeming it all to be me my father's kingdom is opened and owned by us, or is it owned by anything, or is it that which we so freely give to each other that we enjoy each other's childrens and parents as our own family and our own lands as each other's or each other's as our own, or do we tend and till each other's porridge pots not, but do we look after each other in ways and giving of ourselves in love and words and means and things now that we learn of and come into in the development of create me's that create me's my lands perfectly and my crops no longer stolen by others again who seed only things of their thoughts into mine?

67. I love you all I love you all I love you all I love you all I love you all I love you all and I bow before you this day and I give you me -- and I raise "my head" as a flesh man,

not; but I come before you and I raise yours as The Christ, for that's who YOU ARE -- *all of you* who will be! Insistent on other being no longer. Thank you.

10:44 AM. Thank you.

Amen
